In comparison to the more than \$2 billion in benefits disbursed by the Retirement Systems, South Carolinians derived \$1.583 billion in personal income in 2007 from motor vehicles and parts dealers.

This category includes those businesses that typically operate from a showroom and/or an open lot where the vehicles are on display. The display of vehicles and the related parts require little by way of display equipment. The personnel generally include both the sales and sales support staff familiar with the requirements for registering and financing a vehicle as well as a staff of parts experts and mechanics trained to provide repair and maintenance services for the vehicles.

\*Based on Bureau of Economic Analysis data for 2007.

<sup>2</sup>For employers with retiree insurance coverage, an additional retiree health insurance surcharge is collected and remitted by the Retirement Systems to the Employee Insurance Program; however, these rates are not considered employer retirement contributions and therefore are not included in this schedule.
